

## RoHS Directive

The RoHS Directive 2015/863 EU (RoHS3) places a restriction on the use of certain hazardous substances—lead, cadmium, hexavalent chromium, mercury, polybrominated biphenyls (PBBs), phthalates and polybrominated diphenyl ethers (PBDEs), for covered products placed on the EU market after July 1, 2006.

Teknikprodukter Nordic AB has a high standard for human health and environmental awareness, and we declare that all our products comply with the requirements in RoHS.

The policy of Teknikprodukter Nordic AB is to be fully compliant with the RoHS directive and to work closely with suppliers and customers. This declaration is part of our policy to keep our customers fully informed about our RoHS commitment.
